

# Emailing Listings from INTERFACE<sup>express</sup>™

## Email Contact List

The INTERFACE<sup>express</sup>™ Email Contact List is linked to the PCS™ system. Therefore, all clients stored in an agents PCS™ will also appear as email contacts within the system. When an agents select listings to email, this contact list will be available on the left-hand side of the window for their convenience.

## Three ways to email listings

Agents have the flexibility to email properties to their clients through three different methods which include;

### 1. Embed Listings in the Email

### 2. Email Links to the Listings

### 3. Email Listings as Attachments
