I recently attended my first AE Institute in Boston. I was able to meet other AE's from across our State and Country. In all there were over 1300 AE's in attendance. I did not get to see Boston though, the daily classes kept me busy.

I will be attending a meeting of the WRA Directors and hope to learn more about future plans for Wire ex (data sharing).

If you haven't already signed up for CE classes in May, there is still time. All classes need to be paid for prior to class.

If you register at the door there will be \$10.00 charge added onto each class.

CE Course 1	Issues relating to New Listings and Agency Agreements
CE Course 2	Issues relating to the Offer to Purchase
CE Course 3	New Developments in the Profession
CE Course 4A	Issues Relating to Real Estate Professional Ethics and Fair Housing

This course will fulfill the Quadrennial Ethics class

Continuing Education will be held in Rhinelander at the Holiday Inn Express on May 7th and 8th. With new forms being introduced this year, the classes will be helpful even if you don't need any continuing ed classes.

SIGN UP SOON seating is limited.

**GAD REPORT– Kevin Jenkins**

Please consider supporting RPAC!

Monday, May 19th is the date of the annual NWAR® Golf Outing & RPAC Auction. This year's outing will be held at Rhinelander's Northwood Golf Club. Following the golf outing, there will be dinner & the auction. The auction will follow a slightly different format this year with a majority of the items being auctioned off in a silent auction format. Large items will be auctioned off live.

This event is the largest RPAC fundraiser for NWAR® of the year. The event cannot be successful without your donations and participation. If you're not sure what to give, please consider these options:

- Did you receive a gift you'll never use or were just unhappy with? Consider re-gifting it to RPAC!
- Sporting event tickets
- Think outside of the box, such as offering a pontoon boat party for 8, complete with dinner & beverages

For those REALTORS® that are chefs, consider offering 1 dozen cookies a month for a year or a gourmet dinner for 4

The options are limitless, but the most important thing is that you do contribute! If you need assistance with transportation of an item, please contact either myself at (715) 367-0206 or RPAC Chair Adam Redman at (715)892-7325.

NWAR® GAD Blog debuts

In an effort to better communicate with members, I have created a new web blog. While you will still receive e-mails from me communicating important information, I will utilize the blog as a way to report information on my activities for the association. I may also post information from WRA & NAR from time to time.

The blog can be found at northwoodsrealtors.blogspot.com – I hope you are able to take a minute to browse it. Any comments that you have to offer are always appreciated.

As always, if you have any questions about RPAC or any other issues, do not hesitate to contact me by e-mail gad-kevin@verizon.net or cell (715)367-0206.

KIM BRIXIUS

Kim was born in a close-knit agricultural community in Kenosha County and always harbored the dream of living in the Northwoods of Wisconsin with its woods, water and abundant wildlife. When the city expanded its boundaries, it was time to move the family to the Northwoods.

After searching the entire Northwoods, she and her husband Gary decided that Tomahawk was the perfect place to raise their children, George and RaeAnn. In 1997, they finally found a house with some acreage in the New Wood area west of Tomahawk where they enjoy Northwoods living to the fullest, whether it be fishing, hunting, riding their horses, or just savoring the Northwoods lifestyle.

This is also when she decided to pursue a career in real estate and so in September of 1997 obtained her real estate license. A believer in continuing education, Kim did obtain her Broker license as well as the designations of Graduate Realtor Institute (GRI), Certified Home Marketing Specialist (CHMS), and she has recently completed the needed classes to obtain her Certified Residential Specialist (CRS) designation. In addition, Kim has had extensive training in Buyer brokerage that she finds herself utilizing more and more with buyers in today's market.

Kim actively participates in her community and is involved in or associated with the following organizations:

Northwoods Association of REALTORS Member

Wisconsin REALTORS Association Member

Complaints & Compliance Committee Chairman

Lincoln County 4-H Board Director

Parent Advisory Committee Member

Kinship of Tomahawk (Mentor Family 1997 – 2003)

National Association of REALTORS Member

Certified Residential Specialist Member

Lincoln County Board of Adjustments Member

Bits N Bridles 4-H Club Leader

Redeemer Church Evangelism Committee Member

Lincoln County Re-Codification Project Member (2002-2004)

If chosen to represent the NWAR organization as a member on the Board of Directors, Kim will bring the same enthusiasm, hard work, honesty and integrity to the association as she currently does in both her personal and professional life!
